Meet your new Resident GP

Dr Niahm Thomson

Dr Thomson joined our team on Wednesday 2nd April 2025 and will be with us for four months.

She studied Medicine as a split degree between the University St. Andrews and the University of Glasgow.

Dr Thomson is looking to specialise in Geriatric Medicine.

Outside of work, she loves cooking and open water swimming!

COMMUNITY LINKS PRACTITIONER

Community Links Practitioners can help support you with a whole range of issues which could be affecting your health and wellbeing.

Issues they can offer support on include living with health conditions, money worries, alcohol and drugs, employment and volunteering, stress and anxiety, caring responsibilities, housing and home energy, healthy eating and weight loss, stopping smoking and connecting with local groups and activities.

You can arrange an appointment with a Community Links Practitioner through the Practice. Our Community Links Practitioner, Arzoo, has a clinic every Friday.

CLPs offer drop in sessions at Connect South Ayrshire Hub, 53 Sandgate, Ayr, on a Wednesday between 1pm and 2pm.

Advanced Nurse Practitioner

Jackie is a highly experienced nurse who has undertaken additional medical education in order to provide advanced nursing care and to prescribe medication.

She can provide treatment and advice for many problems including MSK issues, respiratory problems and UTIs. Her main areas of expertise are in the management of common illnesses and chronic health conditions such as asthma, diabetes and hypertension.

She can assess and examine you, make a diagnosis and provide advice and treatment including a prescription if required.

2nd April

HAPPY Birthday

To Dr Kean

JOIN OUR PPG!

WE ARE RECRUITING PATIENT PARTICIPATION GROUP MEMBERS.

A black line drawing of a rocket ship launching from a launch pad, with two birds flying in the sky. The rocket is positioned on the right side of the launch pad, and the launch pad is on the left. The rocket is angled upwards and to the right. Two birds are flying in the sky to the right of the rocket. The drawing is simple and stylized, with thick black lines.

Your feedback helps improve the practice!

Please ask a member of the administration team for more information

We meet four times per year to discuss the practice services for approximately 2 hours
